Major General A. N. Bolling
Assistant Chief of Staff, 0-2
Department of the Army
Washington, 0. C.

Dear General Bolling:

Your letter of 28 May 1952 and the enclosure have been reviewed in this Agency. You will recall that the original paper discussed in the Intelligence Advisory Committee Executive Dession provided for coordination and approval by the Director of Central Intelligence of plans for espionage operations to be conducted by the military dervices.

It is noted that the paper submitted with your letter provides only for coordination. The responsibility placed in this Agency by the National Security Council directive requires that it exercise a more definitive authority than that of a coordinator.

It is therefore requested that the proposed paper be amended to include the words "and approved by the MAT" in line 2 of paragraph 2(a). Similar amendments should be made in other parts of the paper where necessary.

Sincerely,

SIGNED

elter 8. Smith Director
